## Ex-Red Testifies L. R. School Crisis Planned

By JOHN R. STARR

LITTLE ROCK (AP)—A former Communist testified at a Legislative probe today he was certain the National Assn. for the Advancement of Colored People, backed by Communists, "set up" the Little Rock school integration crisis as a test battle in a vast subversive scheme.

Manning Johnson, a New York Negro, said the Communists and the NAACP were "modern carpetbaggers" in their efforts to obtain control of the Negro in the South.

Johnson, who said he was a Communist Party member from 1930 to 1940, told a state Legislative Council investigating committee that Little Rock, Pine Bluff and other large areas of Arkansas were designated years ago for intense concentration in furtherance of the alleged Red plot.

The witness said he joined the party because he thought it would advance the interests of the Negro, but quit when he discovered the Communists subverted Negro rights to interests of the party.

He said nine Negro students who integrated Central High School here last year were placed there simply to create a race issue. Otherwise, he said, the Negro students would have yielded to Gov. Orval E. Faubus' discretion and withdrawn after the governor surrounded Central with National Guard troops, allegedly to prevent violence.

Johnson said the Communist scheme for Sections of the South and Arkansas was laid while he was a member of the party and he was thoroughly familiar with it.

The eventual goal, Johnson said, was seizure of land from white owners, a breakup of the existing state boundaries and formation of what he called "a black republic" which would have the privilege of governing itself as a state.

Johnson, who said he had been a vigorous opponent of communism since his break with the party, said this was the third subversive investigation at which he had testified. He said he had worked closely during the past 18 years with the FBI, the Justice Department, and Senate and House committees investigating subversion.

Johnson was the only witness at the morning session on the third day of the committee's public hearings on alleged subversive influences behind racial unrest in Arkansas.

HOPE FOR COMPROMISE — Sen. Styles Bridges (R-N.H.) talks to reporters after visiting President Eisenhower at the White House. Bridges said Eisenhower told him he hopes the impending struggle between Liberals and Conservatives for Republican leadership posts in the Senate will be settled by compromise. (NEA Telephoto)

## Conference on Surprise Raids Ends a Failure

GENEVA (AP)—The 10-nation conference on prevention of surprise attacks ended today in complete failure.

The talks never got down to a serious discussion of a surprise attack alert system because East and West were in total disagreement on the very purpose of the conference.

The Soviet bloc made a vain effort at the 4½-hour final meeting to have Jan. 1, or any other date, fixed for resumption of the talks.

The Western group, led by William C. Foster of the United States, firmly told the Soviet bloc it was useless to reconvene unless an agreed basis for the discussions could be established in direct contacts between the governments concerned.

The United States, Britain, France, Italy and Canada represented the North Atlantic Treaty powers, and the Soviet Union, Poland, Czechoslovakia, Romania and Albania the East bloc.

The conference opened Nov. 10 and became bogged down from the start in procedural arguments.

The Western side submitted numerous technical proposals in the hope the Soviet bloc would agree to discuss these without bringing up political issues.

## Riales Picked to Head State Senate

LITTLE ROCK (AP)—State Sen. Roy L. Riales of Menzies will be president pro tem of the 1959 Arkansas Senate.

He was elected unanimously yesterday at the biennial duck dinner here for state senators.

Riales, who served in the House from 1939 to 1948, has been in the Senate since 1951. As president pro tem — who presides in the absence of the lieutenant governor — Riales succeeds Sen. J. Lee Bearden of Leachville.

A. M. Shirey Jr., a member of the Arkansas Commerce Commission, was re-elected secretary of the Senate.

Gov. Nathan Gordon named a five-member committee to select stenographers, clerks, secretaries, messengers, pages and other personnel needed to operate the Senate.

The committee members are: Sen. Ellis Pagan of Little Rock, chairman; Fred Stafford of Marked Tree; Marshall Shackelford of El Dorado; Jerry Screeven of Hazen; and Gailor C. Johnston of Dermott.

## Louisiana Holds a Faubus Day

MONROE, La. (AP)—A downtown parade and a speech by Arkansas Gov. Orval E. Faubus will highlight the celebration of "Little Rock Day" in Monroe today.

Six high school bands will parade this afternoon.

Faubus is scheduled to speak on states rights at a high school auditorium tonight.

Mayors of both Monroe and adjacent West Monroe have proclaimed the current week as "Little Rock Week" and the Ouachita Parish Citizens Council is sponsoring a drive to raise \$25,000 for the Little Rock Private School Corp. (Civilian Control) from through-out northern Louisiana.

Parade today for the parade and rally. Among them was state Sen. W. M. Robinson of Homer, who spoke on states rights.

## Fort Chaffee One of Three Camps to Close

WASHINGTON (AP)—The Army's closing of three camps raised expectations today of further military shutdowns in the current economy drive.

The retirement of Ft. Polk in Louisiana and its millions of acres of maneuver ground, announced yesterday, also foreshadowed the closing of large scale ground maneuvers which made that part of the South famous in World War II training days.

The Navy said it will close Ft. Meade in Maryland. It figured the shutdowns next summer would save 10 million dollars a year.

The Navy, hit by the same Eisenhower Administration orders to hold down spending, may be the next to curtail or close down completely some of its continental shore establishments.

Navy officials are undertaking an appraisal of their non-combat supporting facilities right now.

Ft. Polk loomed large in the Army's preparations for the last World War.

The Army was loath to close Polk, but the emphasis today has shifted from ground to airborne mobility.

The Army said military personnel at Polk will be taken into other Army units. Details will be announced later.

In the meantime, well over 1,000 civilians at Polk and an equal number at Chaffee will be given a chance to seek Army jobs at other camps or forts.

The Army said civilians who cannot be hired elsewhere in the military establishment will be given every possible help in lining up other jobs.

## Student Killing Baffles Police

ST. LOUIS, Mo. (AP)—A St. Louis University student, run over by a car and apparently shot three times, was found dying Wednesday night in a case that has baffled police.

The student, James S. Bull, 27, of suburban Richmond Heights, died without speaking. Passing motorists had found him sprawled in a road in front of the City Art Museum.

Police were almost certain two head wounds were from a small caliber weapon and that half a dozen tiny wounds in the chest were from shotgun pellets but were awaiting results of an autopsy today.

A car had passed over both wounds.

Police Sgt. Oscar said he had no definite leads.

Robbery was ruled out as a possible motive. Police found \$20 in his pockets.

## Gospel Lighthouse Yule Program

The Gospel Lighthouse Christmas program will be held December 23 at 7:30 p. m. at the Church at Andrew and Avenue C. The program includes a play about the birth of Christ, poems and singing. All attending will receive a gift. It was announced by the Rev. Paul H. Brown, pastor.

## NATO to Repel Aggression With Nuclear Arms

PARIS (AP)—NATO foreign ministers affirmed today their "manifest will to use nuclear retaliatory forces to repel aggression."

In a 500-word communique issued at the end of a three-day North Atlantic Treaty Organization ministerial meeting, the diplomats stressed that a stop-up in Soviet armaments means NATO must "sustain without relaxation" efforts to boost the defensive power of the alliance.

The ministers, the communique said, reaffirmed their fundamental belief "that NATO defensive strategy continues to be based on the existence of effective shield forces and on the manifest will to use nuclear retaliatory forces to repel aggression."

## Ceremonies as Cardinals Get Red Hat

FRANK BRUTTO

VATICAN CITY (AP)—Amid glittering and moving medieval pageantry, Pope John XXIII today placed the red hats of their high office over the heads of 20 of the 23 new cardinals of the Roman Catholic Church.

More than 35,000 cheering persons filled the vast Basilica of St. Peter for the glittering public ceremony, the climactic event in the ceremonies this week which have increased the College of Cardinals to 74 men, largest in history.

The new cardinals, approached the papal throne singly, hands folded in prayer. Their bright scarlet trains trailed nine feet behind across the green velvet carpet.

Tenth in order was one of the two new American cardinals, Archbishop Richard James Cushing of Boston. The other, Archbishop John O'Hara of Philadelphia, was 13th.

Each of the new princes of the church knelt quickly, kissed the Pope's slipper and then his hand. Each time the pontiff bent low to touch cheeks with the new member of the Sacred College.

Then for each, Pope John repeated this solemn charge in Latin:

"For the praise of Almighty God and the honor of the Holy Apostolic See, receive the red hat, the special badge of a cardinal's rank. By this you are to understand that you must show yourself fearless even to the shedding of your blood, in making our holy faith respected, in securing peace for Christian people, and in promoting the welfare of the Roman Church. In the name of the Father and of the Son and of the Holy Ghost, Amen."

While the Pope spoke, two assistants held one of the broad-brimmed, flat-topped hats — the galero — over the head of the new cardinal.

The ceremony proceeded quickly, lasting about a minute for each cardinal. The vast throng was hushed and the pontiff's strong voice rang through the basilica.

Each cardinal moved away without his red hat. They will never again appear in public until the owners are dead. When a cardinal dies, his hat is placed in his catafalque and then suspended from the ceiling of his cathedral.

## May Get to Deduct Cigarette Tax

LITTLE ROCK (AP)—The first step towards allowing Arkansas to deduct state cigarette taxes from their federal income tax was taken yesterday.

The state Legislative Council's revenue and taxation committee voted to recommend to the Legislature a change in state law to allow the deduction.

Cigarette taxes now are not deductible because they are indirect taxes. The committee said it hoped to get around this by declaring the tax directly affects the smoker.

## Air Line Strike Costly to Miami

MIAMI, Fla. (AP)—The Eastern Air Lines strike, now in its 24th day, is costing Miami area resort men an estimated six million dollars a week.

The grounded Eastern planes normally bring 177,000 passengers to Florida during December, a company spokesman said only 13 per cent of these can be handled by other airlines serving the state.

Eastern flights were halted Nov. 24 when flight engineers and mechanics walked out over wage demands. The machinists, who have reached a tentative agreement but are pulling the union's membership on its provisions before deciding whether to return to work.

The engineers and company are holding separate conferences with a federal mediator on their dispute. A company spokesman said there was no progress whatever Wednesday.

## Alford Plans to Push His Case at Once

By GORDON BROWN

WASHINGTON (AP)—The Hays-Alford election dispute moved today toward a possibly bitter fight that could rock the House.

A special House committee voted 3-2 Wednesday to recommend that Dr. Dale Alford, Little Rock segregationist, be denied a seat pending an investigation into charges of irregularities and fraud in his election. The two no votes came from Southerners.

Alford, who testified he believed he was elected honestly, promised to push his case at once.

Alford entered the November election at virtually the last minute.

Running as a write-in candidate, he beat Rep. Brooks Flays (D-Ark.) an avowed moderate on segregation, by about 1,200 votes.

The committee's Southerners, Chairman Clifford Davis (D-Tenn.) and Robert Jones (D-Ala.), agreed the election should be investigated. But they said Alford should be seated pending the outcome of the inquiry. This, they said, would be in line with past procedure.

The Southerners were outvoted by Representatives Thomas O'Neill (D-Mass.), Kenneth Keating (R-N.Y.) and David Dennis (R-Ohio).

The formal challenge to Alford's election came not from Hays but from John F. Wells, Little Rock publisher of a weekly newspaper.

Wells told the committee there were numerous irregularities in the vote. He said slickers used by the Alford write-in voters were illegal, and that there were more votes than listed voters in some instances, and that Gov. Orval E. Faubus of Arkansas and others conspired to unsent Hays.

Hays said that since he is not contesting the election, "it is the simple question of whether it was an honest election."

Hays will be honored tonight at a dinner to be attended by high government officials, church leaders and others.

## Bids Taken on an Ammo Depot

LITTLE ROCK (AP)—Nabholz Construction Co. of Conway made the apparent low bid of \$60,381 yesterday for construction of an ammunition storage unit at Little Rock Air Force Base.

Army Engineers said three other bids were received.

The project, to be completed in 180 days, calls for a one-story concrete building measuring 54 by 60 feet. It will be used in ordinance operations.

Other bidders included Ark-Mo Construction Co. of Blytheville, \$68,992.

## 150 Legal Deer Kills in Ashley

CROSSETT, Ark. (AP)—At least 150 legal deer kills were made in Ashley County during the second half of the state's deer season which ended Saturday, unofficial reports disclosed today.

Game wardens said five illegal kills were made during the period. Ashley County led the state with 440 legal kills in the first half of the split deer season.

This year's total of 596 legal kills compares to 509 for the county in 1957.

## Mikoyan Visit to U. S. Gets Quick Approval

WASHINGTON (AP)—The United States promptly agreed today to a Soviet request for Deputy Premier Anastas I. Mikoyan, a close associate of Nikita Khrushchev, to visit Washington early next month.

A State Department spokesman added that if Mikoyan was interested in seeing Secretary of State Dulles he certainly assumed Dulles would readily receive him.

Press officer Lincoln White said he could not speak for President Eisenhower. But in general, he declared, he assumed that "anyone he (Mikoyan) wished to see would be glad to see him."

The Associated Press learned Wednesday night that Mikoyan had proposed a visit to Washington to see Soviet Ambassador Mikhail A. Menshikov and that the request was forwarded here Wednesday for government action by the U.S. Embassy in Moscow.

A visit by Mikoyan would open up the possibility of high level Soviet-American policy talks.

Today White announced the request, U. S. agreement and indicated the possibility of talks on trade — Mikoyan's primary interest — and other policy issues. Furthermore, in reply to questions, White said that if Mikoyan wants to visit some parts of the United States other than Washington, "I don't think there would be any objection to his going."

## Charged in Death of Her Father

DEDHAM, Mass. (AP)—Socially prominent Miss Isabel Russell, 48, is charged with murder in the death of her father, a wealthy business executive.

The body of Joseph B. Russell, 74, was found Sept. 1 under shrubbery at the family's palatial estate in Westwood, a fashionable suburb about 12 miles southwest of Boston.

A medical examination report showed Russell's chest had been crushed and his back broken. It was not until Miss Russell was brought to court Wednesday that it was learned a police investigation had been under way.

Disheveled and her hair stringy after battling with arresting officers, Miss Russell pleaded innocent before District Court Judge Gilbert W. Cox.

Before entering court, Miss Russell said: "I did not kill my father. I don't know what this is all about. The last time I saw my father was at midnight last September. The next time was when I saw him lying on the ground outside."

Her uncle, Richard Russell, former mayor of Cambridge and congressman, pleaded with the court that Miss Russell be committed to a mental institution for observation.

Judge Cox denied the plea and ordered Miss Russell jailed until a decision is made whether she should be held for grand jury action.

Miss Russell was arrested at a Brookline hotel where she and a sister, Frances, 48, lived since the father's death.

The victim was a former partner in the insurance firm of O'Brien, Russell & Co.

The two sisters were the beneficiaries of their father's will. Although once affluent, he left only \$55,000.

## Found Innocent in Pedestrian Fatality

LITTLE ROCK (AP)—A 18-year-old motorist accused of fatally injuring a pedestrian during a pro-segregation demonstration was found innocent yesterday by Traffic Judge R. W. Laster.

The youth, Douglas F. Treadway, was charged with negligent homicide in the death of R. L. McGowin.

McGowin was struck by Treadway's car in downtown Little Rock Sept. 22 while a caravan of Central High School students paraded to show their support at Gov. Orval E. Faubus' stand against integration.

McGowin died a week after the accident.

## Delighted Girls Chase Her Husband

By DOROTHY ROE

AP Women's Editor

HOLLYWOOD, Calif. (AP) —

Pretty Mary Cummings is delighted when girls chase her good looking husband Bob, star of television and screen, because—

"It helps a wife keep on her toes to know her husband is attractive to other women. A man never should stop appreciating attractive women, just because he is married. Bob likes handsome, vital people and so do I. And I wouldn't have it any other way."

The former Mary Elliott quit the stage when she got married, and has been quite busy since acting as Bob's business manager and raising their family of five children: Robert, 12, Melinda, 10, Patricia, 7, Laurel, 3 and Tony, 1. The spacious Cummings home in Beverly Hills is organized for family action. The living room opens into a patio and swimming pool where father Bob gives swimming lessons to all the children, even before they can walk.

"The children start swimming when they are 6 to 8 months old," says Mary. "Their dad is a good swimming coach — he was a YMCA champion swimmer as a boy."

Mary had made a considerable reputation as a stage and screen actress when she met Bob Cummings, having played overseas with USO Camp Shows during World War II and played the title role in "My Sister Eileen." They were married in 1945 and Mary decided firmly and at once to make her sole career that of wife and mother. Says she:

"I'm positive I couldn't be happy as a star, and be married at the same time. My best acting offers have been since my marriage, but I don't think any family is big enough for two stars."

After a long and successful career in both Broadway and Hollywood productions, Bob Cummings has had his own weekly show on television for five years. Mary takes care of business details and often helps pick promising young actresses for the cast. She has an office in her home, and puts in a regular 40-hour week being a business manager, running home and family at the same time.

## Iba Observing 25th Year in Basketball

Associated Press Sports Writer

Henry (Hank) Iba is celebrating his 25th year as basketball coach at Oklahoma State University. His younger brother, Clarence, Tulsa coach, already has spoiled Hank's silver anniversary season.

Tulsa turned back Oklahoma State 71-50 Tuesday night in the 69th renewal of their series and enabled 49 year old Clarence to gain a measure of revenge over 54-year-old Henry.

This was only the seventh time in 50 games that Tulsa has been able to defeat a Hank Iba-coached Oklahoma State team. The Hurricanes took the lead midway in the first half and remained in front the rest of the way. Roger Wendell topped the Tulsa scorers with 27 points.

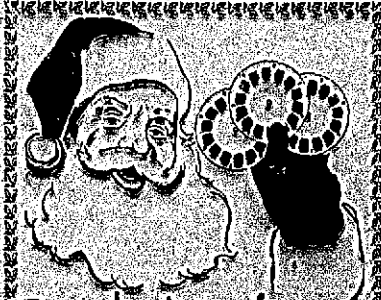

West Virginia, ranked seventh nationally, was the only top 10 team to see action. The Mountaineers rebounded from their upset by Virginia Saturday and crushed Richmond 98-67.

Jerry West paced the winners with 20.

St. Joseph's Pa., No. 14, outclassed Elizabethtown 84-60 for the Hawk's fifth triumph in a row after a shaky start.

In other leading games, Virginia Tech. downed Furman 95-80 as Earl Gilbert hit for 32 points. San Francisco edged Wichita 47-46 to break a four-game losing streak. Jerry Givyn collected 33 points to spark Yale to a 70-73 Ivy League contest over Brown. Loyola of Chicago posted its fifth consecutive triumph by shading Drake 74-71 and Oklahoma City rallied in the second half to whip North Texas State 70-56.

Little Rock spent the weekend with its parents, Col. and Mrs. William Buchanan of Memphis, who are guests in the home of Mr. and Mrs. Harold Parker.

## Porkers Lose to Oilers in an Overtime

FAYETTEVILLE, Ark. (AP) — The Fayetteville Oilers, College basketball team, turned on the steam in an overtime period last night to nudge Arkansas Razorbacks 62-54.

The Porkers gained the overtime period after pulling up from a 35-27 deficit at halftime. Sophomore Pat Foster sank a pair of free throws to tie Arkansas at a 2-point edge with three minutes of regulation play remaining.

A set shot by Fayetteville's Gary Thompson knotted the score at 50-50 and time ran out.

Once Arkansas' big Clyde Rhoden fouled out in the overtime period the Porkers were unable to keep up.

## Court Opens Way for Nativity Scene

WHITE PLAINS, N. Y. (AP) — A court opened the way today for a community-sponsored Christmas Nativity scene to be displayed on a public school lawn in the center of Ossining.

State Supreme Court Justice Elbert T. Gallagher dismissed a complaint brought by a group of citizens that such a display would violate traditional separation of church and state.

The complainants contended also that display of the creche would have a harmful effect on non-Christian pupils. Defendants of the creche argued that it would be displayed only while the pupils were on Christmas vacation from school.

The fallacy of the plaintiffs' argument is apparent in view of the fact that the school was not in session when the creche as displayed in previous year, the judge said.

The complaining group, consisting of Jewish and non-Jewish citizens, last year tried to obtain a temporary injunction. The petition was denied and the case went to trial last September.

The school, the Ossining Junior and Senior High School is located on the main street in the center of the village.

## Robertson Is Held Under 40 Points

By SHELDON SAKOWITZ  
Associated Press Sports Writer  
Future opponents of the Cincinnati Bearcats, the nation's No. 1 college basketball team, can relax a bit. All America Oscar Robertson doesn't concentrate on scoring all the time.

For the first time in four games this season, Robertson's scoring output went below 40 points Wednesday night. He netted only 39 as the undefeated Bearcats thrashed College of the Pacific 119-60.

Robby, hampered by a jammed finger, played about 36 minutes, his scoring average now is 41.8. If he can maintain his average, he will break the all-time season record of 41.7 set by Frank Selvy of Furman in 1953-54.

Fourth-ranked North Carolina State and North Carolina, No. 10, were the only other members of the top 10 teams in this week's Associated Press poll to see action. N.C. State whipped La Salle 82-60 for its fifth straight victory. The Tar Heels made it three in a row with a 70-57 lacing of South

to Washington's Sam Baker in the National Football League.

Although Coach Jim Lee Howell doesn't count on Chandler to do much running or throwing Sunday against Cleveland in the playoff for the eastern division title, he does count heavily on his punting.

Chandler is an Oklahoma boy who went to Florida to play college football. He was a quarter back in high school and junior college and a halfback at Florida under Bob Woodruff.

A pro, Chandler seldom does anything but kick. But he always has the option from Howell to run on his own if there is a run open. Giant fans were as startled as the Baltimore staff when he faked a punt and ran against the Colts.

"I have been kicking a football as long as I can remember," he said. "I don't remember when I started, but I just seemed to come naturally."

Chandler's longest punt this year was a 63-yard boot against Pittsburgh. He did kick one 74 yards from the line of scrimmage in an exhibition game.

## Ike Holds a Surprise Meet With Bridges

WASHINGTON (AP)—President Eisenhower held a surprise conference with Sen. Styles Bridges (R-NH) today in an effort to avoid a disruptive battle over the Senate Republican lead.

Bridges, chairman of the Senate GOP Policy Committee, told newsmen afterward that both he and Eisenhower hope it will be possible to start the new year as a united party.

A split in Republican Senate ranks has been widening over the candidacy of Sen. Everett M. Dirksen of Illinois for GOP floor leader.

Bridges indicated that Eisenhower took the initiative in arranging today's meeting. But the senator added that the President "just listened" and feels it is a problem for the Senate itself to resolve.

There was no immediate indication of the effect the Eisenhower-Bridges conference might have on senators organized to oppose Dirksen.

The Illinois senator's assertion he is definitely a candidate and expects to win stiffened the attitude of senators rebelling against their Republican leadership.

The insurgents' spokesman, Sen. George D. Aiken of Vermont, said in an interview: "We have everything to gain and nothing to lose by making our fight for a forward-looking leadership I think that we have a good chance to win. If we are defeated, the party can look forward to further reversals in the 1960 elections."

Dirksen, Senate GOP whip in the last session, told reporters he expects to be elected floor leader at the Republican caucus Jan. 7.

He said he does not believe the other group could block his election. He is supported by Sen. Styles Bridges of New Hampshire, chairman of the Senate GOP Policy Committee.

The insurgent group has a hard core of 10 members, but claims support among the other 44 Republican senators in the coming Congress.

All of the insurgents take themselves as faithful backers of President Eisenhower's foreign policies, and some call themselves liberals.

"I do not know on what ground I am being opposed," Dirksen said. "I have gone down the line for key administration legislation, including foreign aid, reciprocal trade, defense reorganization, the U. S. Information Agency appropriations and other controversial measures."

"I have carried the flag for the President and the White House when the going was rough," Dirksen said. "I have gone down the line for key administration legislation, including foreign aid, reciprocal trade, defense reorganization, the U. S. Information Agency appropriations and other controversial measures."

The opposition group has said it will announce at a Dec. 30 meeting its candidates for floor leader, whip, Bridges' policy committee post, and for chairman and secretary of the Conference of All Republican Senators.

### Get The Point

"John, I found this letter in your coat pocket this morning. I gave it to you a month ago to mail."

"Yes, dear, I remember. I took that coat off for you to sew a button on and I'm still waiting."

Loyal Ladies Class Has a Christmas Party

The Christmas party of the Loyal Ladies Class of the Hope Gospel Tabernacle was held Monday night in the Fellowship Hall of the church with a turkey dinner and all the trimmings served buffet style.

The hall was decorated throughout in the Christmas motif featuring arrangements of red holly holly at vantage points and the tables were lovely with center pieces of poinsettias, Chinese holy and red candles.

Mrs. Homer Cobb voiced the opening prayer and led the group in singing "Silent Night". Miss Hazel Abram, teacher of the class presented a beautiful Christmas story entitled, "Why the Bells Chimed". Gifts were exchanged at the conclusion of the meal by the class members and a gift was presented to Miss Abram from the class.

Thirty-eight members and six visitors, Mrs. Olene Spears, Mrs. Charles Moxley, Miss Beatrice Abram, Vester Mc Roy, Miss Lou Sealton and Mrs. Herman Sachs from Berlin, N. M. enjoyed the occasion.

## Coming and Going

Mr. and Mrs. Fred Luck and Mr. and Mrs. F. M. Horton were among those attending the performance of "The Messiah" at Ouachita Baptist College in Arkadelphia, Tuesday night.

Mrs. Joel T. Wingfield of Antoine is visiting her daughter-in-law, Mrs. Paul Ward, this week.

Mr. and Mrs. Hinton Davis and Mrs. H. E. Thornton attended the "Evening of Christmas Music" at Henderson State Teachers College on Monday night. The program was presented by the Madrigal Singers, and Miss Susan Davis is a member of that group.

Mrs. Charles Briant has as guests Capt. and Mrs. A. R. Peterson of the Cool Waters Court in Grand Lake, Col., and Mrs. Charles Briant who are en route to Georgia after three years in Japan.

# Russia Premier Again Attacks Former Pals

By HAROLD K. MILKS

MOSCOW (AP)—Soviet Premier Nikita Khrushchev has hurled a new attack at the Malenkov-Molotov "anti-party group," blaming it for major shortcomings in Soviet agriculture.

Khrushchev's new blast, made at a meeting Monday of the Soviet Communist party's Central Committee, came after a new press campaign against the five high officials Khrushchev toppled from power in the Kremlin shake-up in July 1957.

Accounts of the speech today in the Soviet news agency Tass, the Soviet news agency, gave no indication of whether further measures would be taken against the five men—ex-Premiers Georgi Malenkov and Nikolai Bulganin, former Foreign Minister V. M. Molotov and Dimitri Shapovalov and former economic czar Lazar Kaganovich. All have been banished to obscure posts in the Soviet Union.

Nor was there any mention of Gen. Ivan Serov, who was removed last week from his key post as chief of state security, the Soviet Union's top police official. Serov's future has not been announced, but so far he has not been linked with the anti-party group.

Khrushchev claimed Malenkov, Molotov and their disgraced associates:

1. "Tried to stifle the patriotic movement for catching up with the United States in per capita production of livestock produce."

2. Opposed the virgin lands project, a pet Khrushchev scheme which he boasted had proved the key factor in bringing a record grain production of 140 million tons this year.

3. Attempted to "revise the party's general Leninist line on basic issues of the country's development." (In this he said they "failed gloriously.")

Stubbly opposition for a number of years the realization of important measures in agriculture and thereby retarded the development of the Soviet economy.

The group, he continued, was responsible for "the difficult situation in agriculture that developed by 1953." He accused Malenkov of deceiving the party to cover up his failures.

Khrushchev boasted that despite the shortcomings in various fields of agriculture, the Soviet Union already is ahead of the United States in total production of wool, butter, milk and cotton.
